The Intelligencer.

Many thanks to you, Lord Sackville HARRISON was no mistake. "He's all

THEY won't paint England red for ten times the majority received by Cleve-Harrison

HARRISON is a bigger man in New York than Cleveland. Chonus of Free Traders-Saved in

spite of ourselves. THE Republican State of Mississippi is still safely Democratic.

No Mone Mills bills for the present generation. That little cake is all dough. WHERE was Senator Faulkner when

Berkeley county was standing up to be counted? Omo county has behaved very unhandsomely. It gets no share of our great victory.

THE Free Trade bill should never have tried to butt the Protection locomotiv off the bridge.

Four years from now there will be n Democratic Deputy Marshalls to work the polls in Ohio county.

MR. CLEVELAND should have tied a string to his \$10,000 contribution to the Free Trade campaign fund.

PERHAPS Mr. Cleveland would like leave to withdraw the offensive remark contained in his tariff message.

Ir will go hard with the boys to lose their grip on the Federal patronage in West Virginia, but the wood chopping is still good in our magnificent forests. FORTUNATELY we have a trained force

to throw right into the postoffices There will be no interruption of the public business. Things will go along just as they used to.

Don't make faces at your defeated friends and neighbors. We have done them the favor to preserve their inter ests by a Protective Tariff, and when we have done a man a good turn we always feel kindly towards him:

The Smut Mill's Campaign It should be well understood now, it never has been before, that no nomi nee who does not belong to the party and the faction of the Wheeling Register can have decent treatment from tha poor spology of a newspaper.

Incompetent to argue the questions which engage the public attention, it resorts to the making of falsehoods and the villification of citizens of deservedly goed standing. It seems to have no policy except that of misrepresentation

Its conduct of its part of the campaign has been disgraceful to our journalist

and our politics. B. does not deserve the countenance of anybody who live clean journalism and fairly decent politics.

There is a specific on in politics as well in the campaign.

There is a specific on in politics as well as a certain specific of the analysis of the salvery leads that the legal in the campaign.

Democratic shad said dust the legal lines partly lacked the execution of any lacked the execution of the salvery leads and the sample of the sample of the salvery leads and the sample of the sample of the salvery leads and the sample of the sample of the

same line, and in this hour of triumph also possess an almost metallic ring and itself.

The decisive victory of the Republican party on their issue of Protection o American industria. it is a speculation which may be left to peculaide.

political organization based on the solid rock of principle. That which applies to the Republican party applies to the to the Republican party applies to the
Democratic party.

The two great political organizations will meet again four years from now in will meet again four years from now in sculling match with Beach and Kenp.

Geo. Multicliand a light weight for a double sculling match with Beach and Kenp. all-round athlete.

Geo. Mulholland, a light-weight from Australia, has just arrived in San Francisco. Mulholland says San Francisco is likely to be a port of call for a large contingent of antipodean sluggers. the determined shock of political battle. The advantage will be with or against the Republican party, as it shall keep its promises to American labor to secure

ition with the labor of the old world. Farewell to Mugwampism.
The close of the National campaign of 888 marks the collapse of the Mugwump ovement. That remarkable freak in

Ralph Temple will go to Australia with the Spaulding base ball combine. He will, no doubt, advertise himself out there as the only real champion of the world, the man who never met a racer he couldn't beat, and never sold a race.

Roat Railber Blackay vesteraty sont a Statistical Railber Blackay vesteraty sont a Vale College has a Republican club of American politics has had its little day and has been swept off the stage to take ts place with other like political The Mugwumps took all the credit for he election of Cleveland in 1884. The result, to which so many contributed, was in itself so small that any claim on

he part of the eunuichs to any part of the weighs, all rigged, exactly 303 pounds.

The smallest winning jockey on record is, without doubt, Kitchener, who rode Red Deer, the winner of the Chester cup (England) in 1844. Red Deer's impost was 56 pounds, and of this Kitchener's bodily weight was a few ounces less than 40 pounds, the balance being lead in the pad. It is not likely that any regular jockey in this country at the present time can ride within 25 pounds of Kitchener's weight.

Harry Rethung the sprinter is out redit was preposterous in extreme.

This was more clearly shown that in he closely following election for Goveror of New York, when the Mugwump newspapers vied with each other to lead support of Davenport, the Republican nominee, all through the campaign ighting Hill with all the vigor at their mand. Hill was elected by about

about pounds of Kitchener's weight.

The Rev. Cyrus D. Foss, D. D., LL. the Bishop of the Methodist Episcopal Church, who will make Philadelhains that he was in St. Louis that day Bethune says: "I do not know my plans for the future. I shall spend the winter at my home in Cornwell, Ont., and have no cause for worry about the future. There is no longer very much money in America for me, while if I went to England for a Sheffield handicap I would be a scratch. If the thing is worked quietly there is money in Australia, but I hardly think I will go there."

IDEAS FOR PROPERTY AND THE REV. Cyrus D. Foss, D. D., LL. The Rev. Cyrus D. Foss, D. The Re so far as they can lead the Mugwump lement, supported Cleveland and fought Hill even more bitterly than they did To help them in their camnign was Hill's notoriously corrupt administration. Yet Harrison defeats Cleveland, and Hill is elected, both in spite of the Mugwump newspapers and

Striped and barred fabrics will be It was no more sincere in its alleged deire to purify politics than it was in its leclaration that Blaine was personally

Blue fox fur is very fashionable, but unbecousing.

Worth's empire gowns have long waisted backs, but short fronts.

Rosewood is a lovely new shade of brown, especially in velvet and plush.

The forms which the borders on the new dress goods take this fall are varied al infinitum.

Quantities of new words are the state of the curious of future generations.

Mr. Jordan, the section boss, and his hands, while entting the bushes from the right-of-way near Oconee, Ga., killed sixty-seven mocasius. Mr. Jordan struck at the sixty-eighth and cut off his tail, reunworthy of the support of his countrynen. From beginning to end it has been a movement of Pharisees, and the people of New York, to which it has been con fined, have done themselves great credit

quantities of new woolen dress fabrics with borders on the selvedge appear on the dry goods counters.

Some of the new long cloaks for mid-For the sake of this unmistakable rebuke it is possible to look with compoare upon the defeat of even so good a man as Warner Miller. The lesson in winter wear have yokes as well as bands

of fur down the front and around the long, flowing sleeves.

Dresses, redingotes and hats for young adies of from 12 to 15 are made in very close imitation of those of their older

Superstitious people at Keokuk, Jowa, were almost scared to death by a whist-ling buoy which was placed in the river by the government. They thought it was a ghost. sisters and mothers. Nearly all new winter dresses armade with sleeves in more or less fanciful style, and the fullness around the armhole is a marked feature.

lina it is not an uncommon thing for white women, and even little girls of 10 to 12 years, to be seen doing manual la-bor in the fields. Moose cloth is the name given to the camel's hair stuffs which come with im-proved surface finish, but longer, stronger hairs thrown into the weft.

It must be pretty hard for a woman to lead "in fashion." Out of 500 toilets and 700 hats surveyed on a recent afternoon on Broadway, New York, no two were alike, while all were fashionable. We are sore to have a season of jet trimming, judging from the quantity, inchess and variety of these goods seen an trimming counters in the best houses. The only kind of trimming used on What is claimed to be the longest chain ever made is in the imperial arse-nal at Vienna. It has 8,000 links, and was used by the Turks to obstruct the passage of the Dauube in 1529. one kind of silk, faille, gros grain, pear le soie or moire are jet passementeries and fine black chantilly lace.

The success of the great World's Fair at Melbourne, Australia, has incited San Francisco to undertake a "Great Pa-cific slope and international exposition" in the last named city in a year or two. Every girl over 15 should wear her skirts to fall at least to the top of the instep or to the ankle. Girls from 12 to 14 wear their dresses long enough to show the top of the boot, but not the stockings.

One hundred years ago the Presbyte-rian Church consisted of 178 ministers and 18,000 communicants. The last ninutes show that there are now 5,634 ministers, 6,438 churches and 606,757 Very large Directoire pokes, partly covering the cars, and tied down with very broad strings that pass over the top of the bonnet, will be worn as the seaon advances, but only by the fashiona-Denmark is an immense dairy. The ble few.

xport of butter last year amounted to 5,000,000 pounds, and its quality is said to have been excellent and wonderfully inform. The business is conducted on distribution of the properties of the said of the properties of the said of th Long cloaks of seal brown plush an tolvet will be worn again, but the first favorities of fashion in these kind of garments are made of silk materasse, broche, and fine woolen cloakings, mind and the property of the state An old observer tells that one's eye- gled with plush and fur.

An old observer tells that one's eyerows are an infallible guide to his age.

No matter, he says, how young looking he person may be, if his eyebrows lack spleas and do not lie flat and smooth, he is no longer a poung man.

There are 463 mountain peaks in the lack for the last few years appeared to be growing shorter and shorter, are now worn much longer and covering the ankies and very nearly underly the ground, while indoor lack in the lack for the last few years appeared to be growing shorter and shorter, are now worn much longer and covering the ankies and very nearly could hear a Tick Crawl.
